PROFESSIONAL SUMMARY

B2B SaaS Growth Marketer with 4+ years of experience in demand generation, customer acquisition, GTM, SEO and email marketing. Generated 85+ qualified product demos and contributed to 25+ paying clients through organic and outbound demand generation initiatives. Experienced in taking growth programs from strategy to execution and optimization. Open to relocating to Dubai, UAE.

WORK HISTORY

Senior Executive – Digital Marketing, 05/2024 - 07/2026

ZakApps (Moonbow - UK Organization - Remote) – Chennai, India

- Generated **85+** qualified product demos for Pricechecker.ai through B2B SaaS demand generation across LinkedIn outreach, email marketing, prospect research and personalized messaging.
- Contributed to **25+** paying clients, including **7+** enterprise clients, through lead nurturing, customer acquisition initiatives and sales enablement.
- Worked directly with the founder to develop and execute acquisition strategy, translating business priorities into ICP research, campaign planning, messaging, outreach and funnel optimization.
- Managed and segmented a database of **80K+** prospect records, supporting ICP development, prospect enrichment, lead qualification and targeted demand-generation campaigns.
- Executed **50+** email campaigns using Smartlead.ai and Zoho Campaigns, refining messaging, audience segmentation and campaign performance based on engagement data.
- Mentored **~8** interns across multiple cohorts, overseeing prospect research, lead-list development, campaign support, reporting and SEO-related workflows.

SEO Specialist, 04/2023 - 10/2023

VisAI Labs – Chennai, India

- Increased organic traffic by **132%** through SEO optimization, content-focused growth initiatives and search opportunity analysis.
- Improved Domain Rating from **9 to 26** in 4 months, strengthening website authority through strategic SEO and link-building initiatives.
- Delivered **40%** organic traffic growth within 2 months by aligning content initiatives with search intent and relevant industry opportunities.
- Improved organic visibility across targeted SaaS search opportunities, using keyword research and competitive analysis to identify lower-competition growth areas.
- Collaborated with content teams to refine briefs, headings, and schema implementation.

Associate Digital Marketing Specialist, 02/2022 - 04/2023

Joy Technologies – Chennai, India

- Improved organic keyword rankings by **30%** and organic search traffic by **20%** through on-page SEO, keyword research, competitor analysis and search optimization initiatives.
- Built **100+** high-quality backlinks for client websites, using Pitchbox-based outreach to relevant industry websites and managing off-page SEO opportunities.
- Achieved **22%** average email open rate and **7%** CTR across targeted outreach campaigns supporting backlink acquisition and off-page SEO initiatives.

- Customer Support Associate, 03/2020 - 04/2021**
